Join the Race for the Cape Cod Community!

About the race

Seaside Le Mans is an annual community event held each September at Mashpee Commons and hosted by the Davenport Companies. Teams of six drivers strategize to determine driver order, timing and tactics as they race Formula 1 karts along straightaways, around turns and under a bridge on a 1/4-mile outdoor track with thousands of fans cheering them on. Seaside Le Mans is a thrilling day filled with twists and turns and, even better, it is all to raise money for the Cape Cod community.

Mission

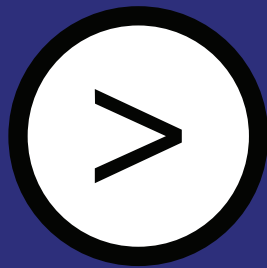

To unify the Cape Cod community and motivate businesses and individuals to sponsor, volunteer and participate in a fun annual event which raises funds for Cape & Islands nonprofit organizations in the areas of health and human services, social services and children's organizations.

Seaside Le Mans is organized and operated by Seaside Le Mans Inc. and is a fund of the Cape Cod Foundation.
